Dear Sir,

We take this opportunity to bring it to your kind notice that representatives of the 1.25 Billion Hindus of the world held a global campaign against Islamic Terrorism yesterday, 14th June 2020, Sunday. It spanned the globe from Auckland, New Zealand to Oakland, USA. The campaign was conducted keeping in view the guidelines of WHO and the respective governments for protests in the time of the Covid19 pandemic.

The campaign was led by Mr. Kapil Mishra and JK Now and co-sponsored by Global Kashmiri Pandit Diaspora. Our analysis suggests that the 24-hour campaign was held in 100 cities of the world wherever Hindus reside. Hindus in the Asian zone, particularly in the Indian geography, participated in large numbers through endorsement of a prominent hashtag on social media, i.e. **#HinduUnitedAgainstTerror**.

Impetus for the campaign arose from the recent killing of a Kashmiri Pandit, Ajay Pandita Bharti, who was the elected representative at the grassroot level and was designated as 'Sarpanch' in district Anantnag of Kashmir valley. His cold-blooded murder has led to global anguish and outrage at another heinous act of the terrorists. It is a great worry that the minority Kashmiri Pandit community continues to face genocide and ethnic cleansing at the hands of the terrorists in the valley of Kashmir guided by the dictum of religious prescriptions and doctrines and trained and armed by the rogue State of Islamic Republic of Pakistan.

Kashmiri Pandits are the Indigenous people of Kashmir (currently in exile for the last 30 years since being driven out by the fundamentalist-terrorist-separatist combine) who are longing to resettle in Kashmir valley after their forced mass exodus in 1990. They have been denied their rights to their land by these Islamic Terrorists who have reiterated their intent through killings.

Tweets which cover the protest outside the residence of the slain Martyr Ajay Pandita Bharti at Jammu-India held on 14 June 2020 are in the public domain. They will give you an idea of the outrage at the ghastly acts of the Islamic crusade against Hindu minorities in the Union Territory of J&K.

Our Hashtag Tweet engagements crossed a whopping 2.2 million the biggest and largest ever global campaign on a single day. Having apprised you of our genocide and ethnic cleansing and the repugnance globally for such an action we seek engagement with your offices so that we can raise awareness of our just cause.
